All,

Just FYI, I just dropped off five sets of plans to the USPO mailbox in front of the firehouse. I don't prefer that method, but I think the on-duty staff may have been out of the building. (the mailbox is pretty full).

- 1 – Informal review for a property at 769 Rush Scottsville Road for an educational project.
- 2 – Special Permit for a pole barn on Rush Scottsville Road where there is not a primary structure.
- 3 – Sri Vidya for a driveway.
- 4 – Special Permit for Canna Health to dispense cannabis.
- 5 – Site plan for a single-family home on W. Henrietta Road near HF # 6 Road.

FYI, the planning board meeting is scheduled for the same night as your commission meeting (I believe changed because of the holidays). I don't think that you will have any concerns about any of these applications, but if someone could grab a look before the 17th it would be great.

Any questions or concerns, let me know.

Rick

Thank you, Rick

I believe Dale will take a look at these plans in the next week.

Kitty

Hi Rick,

I reviewed the following:

2024-13P - Subdivide current greenhouse facility and fenced area from the remaining acreage at the site; no issues with the plan.

2024-14P - Pole Barn on Rush-Scottsville Road; the only issue that I see is there should be an address assigned to the property and a driveway with the length (not shown on drawing).

2024-15P - Sri Vidya Temple, driveway entrance/exit; no issues.

2024-16P - Canna Health; no issues.

2024-17P - West Henrietta Road, new house; no issues.

We will be discussing them formally on December 17th at our regular board meeting.

Thanks,

Dale Sweet
